Things to Note:

Masks must be worn properly at all times, except when eating.

Please bring lunch for Saturday. Individually wrapped/packaged dinners will be provided Saturday night. We will have access to the entirety of the church (and outside if weather permits), so if you prefer to eat alone you will be able to do so. If you choose to eat with others, you must sit at least six feet apart.

You may bring a beverage, but please make sure it is properly labeled with your name. When you drink, you can remove your mask to take a sip.

If a parent drops you off at church, they need to pick you up. No rides can be given without parent permission in advance.
